

## Welcome to the UHD Library

Hello! The UHD Library staff want to welcome you to the UHD community. Like you, the library's priority is student success. Without a successful faculty we won't have successful students. From hundreds of thousands of ebooks, to feature films and documentaries, library instruction for your students, presentation rooms with recording capabilities and so much more the library is here to support your teaching and research needs. The following will introduce you to many of our resources and services. Be sure to contact us for more information. We're here for you. Again, welcome to UHD!

### LIBRARY SERVICES

#### Library Instruction

UHD Librarians welcome the opportunity to partner with faculty to help teach information literacy skills to our students. The role of our library instruction program is to help students develop the necessary skills to find, evaluate and think critically about information and to incorporate it into their own research in an ethical manner.

If your course has a research component that requires students to use external resources then we highly recommend that you contact us to schedule a library instruction session. These sessions can be in-person or virtually through Zoom. Our librarians will work with you to tailor the instruction to meet the specific needs of your class. For more information on how to schedule library instruction, see our Library Instruction Guide. <https://library.uhd.edu/infolitinstruction>

#### Interlibrary Loan

Need something not offered at UHD? You can borrow from other libraries through ILL. To request ILL go to <https://library.uhd.edu/interlibraryloan>, log into the system using your UHD username and password and click Create Request.

#### Course Reserves

Faculty can place library books, their books, electronic materials, and/or supplemental items on reserve behind the circulation desk for students to use throughout the semester. Library books may be placed on permanent reserves, while faculty books can be placed on regular reserves for one semester. <https://library.uhd.edu/coursereserves>
